Lilas George

Apt. of Errors

Lorich Gamble

And the said Lilas George comes & says that in the record & proceedings in this cause & also in the rendering of judgment therein there is Manifest Error in this that is and by the record aforesaid it appears that the land described in the caveat was on the 5th of Feb. 1896 within the Indian Country & that the Circuit Court for the County of Blount decided that the Constitution & Laws of this State vested a right of occupancy & presumption in the Defendant Gamble. There is also Error in this that by the record aforesaid it appears that Judgt. was rendered by the said Court in favour of the said Gamble when by Law the judgment of the Court ought to have been in favour of said

George. Defendant and thus he is ready to verify whatever for those and other errors manifest on the record in the rendition of said judgment he prays ~~said~~ said judgment of the Circuit Court may be reversed and set aside.
